SKILLS

Programming and Web Development:

Java, C, C++, C#, Python, HTML, CSS, JavaScript, PHP

Other Technologies:

Git, JetBrains IDEs, Visual Studio 2022, Android Studio, MySQL, MS SQL Server, .NET framework

WORK

Assistant Food Truck Coordinator

Association for New Canadians

<https://www.globaleats.ca/>

St. John's, NL

May 2019 – Oct 2020

I joined the Global Eats team at the beginning of the project and played a major role in building it from the ground up. This involved applying my skills as a chef to design the menu, but also learning and applying project-management skills such as communication, leadership, negotiation, managing and scheduling staff, coordinating special events, and training employees.

Line/Prep Cook

Rocket Bakery – St. John's, NL

2017 - 2018

Sud Forno – Toronto, ON

2016 - 2017

Pi Gourmet Eatery – St. John's, NL

2016

As a line cook, I prepared and cooked food in large volumes, often for large-scale catering events. Working in this industry, I developed essential time-management, organizational, and collaboration skills.
